Key Insights

High-risk sellers (risk score ≥ 30) currently account for **R\$ 196,335** in marketplace revenue. These sellers exhibit higher levels of late deliveries and negative customer reviews, making them a significant source of operational risk. Reducing performance issues among this seller group could improve customer experience while protecting a substantial portion of marketplace revenue.

Revenue Leaders Requiring Quality Attention

Top Revenue-Generating Sellers and Their Complaint Rates

High-revenue sellers with elevated complaint rates create the greatest customer retention risk.
